Subject: Meeting notes Mar 10, 2007

People not there were Cort & Forman.

1. Newman will advise Tablet publisher the following....."A special meeting of the Temple membership will be held on April 16, 2007 at 7PM at the Temple. The purpose of the meeting is to provide a status update of the progress of the facility project. The Board encourages all members to attend and be an important part of this exciting venture".....will display the notice in a prominent position in the Tablet. Please send me any edits by end of day on Monday. I need to get this in ASAP.
2. The agenda for the April 16th meeting will include the following
 - A time line review.....Feb 06 membership meeting; May 06 annual meeting update; Feb 07 architect announcement; Mar 07 TBD; Apr membership meeting.....will also develop a listing of the updates that the Architect sub-committee provided to the Board
 - Mention demographic study we got for free, fund raising meeting - advice we got for free (Trudi need the name of the lady who spoke with us), architect selection and the process to select Levin
 - Announce the 4 meetings that we will schedule to communicate... so people can put it on their calendar
 - Announce the formation of an Advisory group...ask for volunteer (vision people)
 - Announce the program to identify a name for the "facility initiative".....gives us an opportunity to do more communication and get people involved
 - Next meeting of this group will be March 25, 2007 at 6:30PM at the Temple. Each person should be developing a list of questions that you feel may be asked from the members at the April meeting. If you can get the questions to me before the 3/25 meeting, I will try and develop an answer and we can all agree on the answer at that 3/25 meeting.

I hope I covered everything.....let me know if I missed anything.
